29th April - 4th May

(Downstate New York, Massachusetts and Upstate New York)

GSM USA Roadshow Spring 2019 will visit Downstate New York, Massachusetts and Upstate New York and will consist of a study abroad agency speed-networking fair in each state. The agency group will include 20 agencies and the main focus will be Vietnam and Thailand but also include agencies from other countries. This will be GSM's 8th US roadshow and 3rd time to visit NY and MA.

Each fair will be held from 9:00 - 17:00 with a reception to follow and will consist of 12 x 30 minute meetings. With a 30 minute break in the morning and a 30 minute break in the afternoon and 1 hour for lunch this will be an 8 hour day business day and followed by a 90 minute reception.

Educators choose to attend the event most convenient for them. Marcom eSchedule PRO will be used for appointment booking. With early bird discount attendance is significantly lower than comparable events at 1,800 USD. All agencies will have gone through the GSM approval process.

KorPunGun

The roadshow provides opportunities to put faces to names, learn about institutions in person, and create new partnerships to expand our profiles and options to work with students interested in studying the U.S. It seems to give us a very good chance to expand our market share in Thailand for U.S. education.
